

# Content Outline

Project: Nail Art Website

[https://en.wikipedia.org/wiki/Nail\\_art](https://en.wikipedia.org/wiki/Nail_art)

This website will contain information separated into 5 main pages, with subpages for some. Horizontal top navigation. Image heavy

- ★ Homepage Intro
- ★ History: evolution of nail art + notable figures
- ★ Social implications: gender, status, race etc
- ★ Different types of nail applications
- ★ Style guide gallery (it would be cool if this page of the site could be sorted using tags -> easy navigation for users)
